Which one of our patients referred you to our clinic?

Today we will conduct a thorough history, consultation, and preliminary screening. If we believe we may be able to help you, we may recommend other diagnostic testing necessary to evaluate your condition. If we believe that you will not respond to our care, we will not accept your case and may refer you to another provider.

I understand and agree to the following:

- A history, consultation, examination, and x-rays are conducted for diagnostic and informational purposes. I am requesting these services
- My case may not be accepted for treatment at this clinic
- If the doctors believe that I may respond to their care, additional service may be recommended and I will be advised of applicable cost
